Dear Parents/Guardians,

It's hard to believe that the school year has already come to an end! I am so excited for the new school year to begin and I can't wait to meet everyone! Please be sure that your child continues to read for 20 minutes every day over the summer break. Making reading fun and keeping up the routine over the summer break, helps students to maintain their reading skills and be prepared to start 2nd grade in the fall! **Don't forget to record your child's reading on their summer reading log (minutes and parent/guardian signature) and return it to school for students to receive their special rewards!**
